"A Smart City of Excellence"

Planet Fitness Grand Opening

The City of Seat Pleasant celebrated the Grand Opening of the new Planet Fitness in Addison Plaza, September 9th. The grand opening ceremony consisted of an introduction by the Planet Fitness franchise owners, Victor and Lynne Brick. Following by a few remarks from Mayor Eugene W. Grant, ribbon cutting assistance from the Chamber of Commerce of Prince Georges County. Planet Fitness also donated to the Boys and Girls Club of Greater Washington. We are excited to have Planet Fitness apart of the community. To help better engage citizens of health awareness for a better lifestyle.

Summer Youth Employment Program

This summer the City of Seat Pleasant held a Summer Youth Employment Program from the months of June, July and August. The goal of the program is working on building individual strengths of the participants and incorporating youth development principles recognized by the federal government as being key for career development and work force readiness. These principles include engaging the talents and interests of youth, developing their skills and competencies, and providing positive adult role models.

SYEP participants are Seat Pleasant residents between the ages of 15-18 years old and are enthusiastic, not just about earning money this summer, but about building their resumes with good work experience, acquiring career oriented skills, and attaining marketable skills to help them prepare for the workplace.

Smoke Detectors

October is Fire Prevention

Month and CPAC (Citizens for Public Safety Advisory Council) is encouraging the residents of Seat Pleasant to make sure smoke detectors are installed in their homes so that the risk of a fire will be lessened. A smoke alarm could mean the difference between life and death.

Did you know that according to the National Fire Protection Association, there are between 350,000 and 400,000 house fires in the United States every year? Did you also know that about two-thirds of home fire deaths occur in homes with no smoke alarms or no working smoke alarms? Fire can spread quickly and you may only have **one or two minutes** to get out of your home safely once a smoke alarm sounds. A smoke detector is a great early warning system and is considered to be one of the best and least expensive means of providing notice of a potentially deadly fire. This device will allow you and your family the precious, but limited, time needed to escape.

If you don't have a smoke alarm installed in your home, please get one right away and have one installed on every level of your home and outside sleeping areas.

We want you to be safe in your house! Please tell CPAC about the issues you have in your neighborhood. We meet with the Seat Pleasant Police Department every month and will discuss your concerns with them; we'll do our best to fix your issues and make your quality of life better! Please email your ideas, comments, concerns, and suggestions to us at cpac.seatpleasant@live.com. We look forward to hearing from you! Like us on Facebook at *Seat Pleasant CPAC!*

VACANT HOUSES & PROPERTIES

ATTENTION RESIDENTS

THE ECONOMIC DEVELOPMENT DEPARTMENT IS IN THE PROCESS OF ADDRESSING VACANT HOUSES AND PROPERTIES IN SEAT PLEASANT.

IF ANY ONE HAS ANY INFORMATION ABOUT A VACANT HOUSE OR PROPERTY ON THEIR STREET OR IN THEIR NEIGHBORHOOD, PLEASE CONTACT THE SEAT PLEASANT CITY HALL AND ASK FOR MR. SEAN WILSON, ADMINISTRATIVE ASSISTANT TO THE DIRECTOR OF ECONOMIC DEVELOPMENT. HE CAN BE REACHED BY PHONE AT (301) 336-2600 OR BY EMAIL at sean.wilson@seatpleasantmd.gov

Curbside Yard Waste Collected

Every Wednesday

Grass Clippings, Leaves, Small Branches, and Brush should be placed in yard/trim paper bags. Plastic bags are prohibited.

The Economic Development Department is maintaining the Seat Pleasant Housing Trust Fund and the Revolving Loan Fund. The program is the first of its kind among Inner Beltway communities, neighborhoods and towns. The purpose of the funds program is to stimulate the redevelopment of the City through better affordable housing and economic development strategies.

These funds are available to existing and start-up companies based in Seat Pleasant to promote city-grown entrepreneurship. A portion of the funds will be used to create housing opportunities and to provide access to capital for small and minority businesses in Seat Pleasant. The program is a self-replenishing pool of money that will allow the city to purchase, renovate, and provide "Smart" homes to current and future residents.

If you are a resident of Seat Pleasant with a business or already own a business in Seat Pleasant you may be eligible for a loan from the Revolving Loan Fund. Those who are interested may contact the Economic Development Department to obtain an application

For more information on the Funds and how you can participate, contact Sean M. Wilson 301-336-2600 Sean.Wilson@SeatPleasantMD.gov in the Economic Development Department.

The City of Seat Pleasant takes great pride and believes in its motto “*A Smart City of Excellence*”. It is the desire of the City’s Code Enforcement Officer that residents take pride in their property as well. Do not be offended if you receive a visit, letter, and/or door knocker which indicate that you are not in compliance with any of the City of Seat Pleasant’s Code of Ordinances.

The goal of code enforcement is not to infringe upon your rights as citizens and property owners, but to educate and enlighten you on the rules and regulations that the department is charged with enforcing, as well as to inform you about health and safety hazards that adversely affect residents and communities.

Overgrown grasses, shrubbery, and weeds, particularly during the spring and summer season, can cause problems with mosquito larvae infestation, and can provide a breeding ground for stray cats or dogs, and other vermin if vehicles are parked on grass.

Rusting on fences, branches and leaves in gutters, may not contribute to health problems but add to the deterioration of valuable property and is unsightly. Trash and other debris allowed to accumulate on property that is not in proper trash receptacles with a lid also contribute to the vermin population. Just as important, all trash, rubbish, and garbage left on the ground goes directly into our waterways which ultimately becomes our drinking water. Dog and other animal feces is a common food source for rats, raccoons, possum, and other unwanted vermin and rodents. Please use a pooper scooper and bag the animal waste!! In other words, code enforcement regulations are established for your health and safety, and for the health and safety of the surrounding environment.

Help us to achieve a greener and healthier environment and invigorate “*A Smart City of Excellence*” Contact the Code Officer, Lavon Lucas, should you have any questions, concerns, or want to report a violation anonymously.

Questions? Call us at 301-499-8700 x3016

**Curbside Yard Waste Collected every

CITY OF SEAT PLEASANT ETHICS COMMISSION

The City of Seat Pleasant is seeking interested parties for the Ethics Commission. In accordance with the Seat Pleasant City Code the duties of the Ethics Commission are listed below. The interested parties shall contact the City Clerk and **complete the application by Tuesday, October 31, 2017**

§ 18-5. Ethics Commission.

There is a City of Seat Pleasant Ethics Commission that consists of five members appointed by the Mayor and confirmed by the affirmative vote of a majority of the City Council.

All members must reside and be registered voters in the City when they are appointed and during their terms of office.

Duties of the Ethics Commission:

The Commission shall meet at the call of the Chairperson and at such other times as may be requested by the Mayor or the City Council.

- (5) Three members shall constitute a quorum for the transaction of business.
- (6) The board shall submit, not later than January 30 of each year, to the Mayor and to the City Council a report of its activities under this chapter covering the immediately preceding calendar year, including a summary statement concerning the nature of any complaints filed with it and its decisions and advisory opinions.

During the investigation or review of any violation or request for advisory opinion referred to the Commission and until a public hearing, if any, is held on the violation or request, the activities of all members of the Commission in connection with the investigation or review shall be conducted without publicity, and the Commission shall hold confidential any information related to the violation or request, including but not limited to the identity of the officials or employees involved, including the complainant, if any, and the official or employee requesting an advisory opinion, except that any information may be released at any time if its release has been agreed to, in writing, by the official or employee requesting an advisory opinion or by the official who has been alleged to be in violation of this chapter. Nothing in this subsection shall prevent the Commission from discussing and reviewing any and all matters with legal counsel advising the Commission.
